DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims

Cancel claims 13-22, 29-32, 38, and 40.

Allowable Subject Matter

Applicant has rewritten the objected claim 49 to an independent form including all of the limitations of the base claim. The following is an examiner's statement of reasons for allowance (as shown in previous office action):

- The prior art of record neither anticipates nor renders obvious the limitation of claim 49 including the plurality of nanostructures include first nanostructures attached to the thermal management device, and second nanostructures attached to the heat source, wherein the first nanostructures include protrusions, wherein the second nanostructures include recesses, wherein the recesses are disposed in a pattern to receive the protrusions of the first nanostructures, and wherein the

molecules are to facilitate adhesion of the first and second nanostructures to each other.

Therefore, the above references do not disclose the claimed invention of present application and claims 2-6 and 49-51 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Wai-Sing Louie whose telephone number is 571-272-1709. The examiner can normally be reached on 7:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on 571-272-1705. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
